

OUR 25TH YEAR OF SERVICE
2014 IN REVIEW

Because of your compassion for those who are critically ill and in need of healthy and nutritious food, this year Moveable Feast helped to maintain quality of life for thousands of individuals in our community. For every one of them, FOOD = MEDICINE. Our mission is simple and sensible: If you eat well you stay healthy, even in the face of your illness. That means our clients have improved health outcomes, fewer opportunistic infections, reduced hospitalizations, less dependence on an emergency room for primary health care, all resulting in lower health care costs for us all!

THANK YOU for helping us to **FEED** people, **FIGHT** disease and **FOSTER** hope!
