

What are criteria for medical transportation?

Please note that we are only able to provide medical transportation services to Ryan White eligible clients to and from addresses within Baltimore City.

Eligibility Criteria:

Client has been diagnosed with HIV/AIDS

- AND has limited access to transportation for medical appointments

Medical transportation may take clients to primary medical or support services.

Examples of medical services:

- Physician appointments

Examples of support services:

- Picking up prescription medications
- Attending support groups

We are unable to transport clients to surgical appointments, drug treatment programs or any non-medical related services (such as picking up checks or paying bills).
