### REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS ON THE AUDIT OF THE FINANCIAL STATMENTS

To the Board of Directors of Moveable Feast, Inc.

#### **Opinion**

We have audited the statements of financial position of Moveable Feast, Inc. (the Organization) as of December 31, 2024 and 2023, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Organization and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the financial statements are available for issuance.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal controls. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the issuance date or the date the financial statements are available for issuance.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal controls-related matters that we identified during the audit.

#### Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of Federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of Federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 5, 2025 on our consideration of the Organization's internal controls over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal controls over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal controls over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal controls over financial reporting and compliance.

Owings Mills, Maryland September 5, 2025

#### Statements of Financial Position As of December 31, 2023 and 2023

|   | 2024 |           | 2023 |           |

Notes to the Financial Statements December 31, 2024 and 2023

#### 1. ORGANIZATION AND MISSION

Moveable Feast, Inc. (the Organization) is a nonprofit, non-stock corporation founded in 1989 and incorporated under the laws of the State of Maryland. The Organization provides home-delivered, medically tailored meals and other services to people in Maryland living at the intersection of food insecurity and chronic illness. Home-delivered meals are coupled with Medical Nutrition Therapy provided by registered Dietitian Nutritionists. The Organization's service area expands beyond Baltimore City to include the five surrounding counties and the entire nine counties comprising Maryland's Eastern Shore. Moveable Feast also provides a Medical Transportation program for people in Baltimore City living with HIV.

Volunteers and community members donate their time, talent, and treasure, to help feed people, fortify health, and foster hope. All services are provided at no cost to those the Organization serves and specifically cater to people who are unable to afford, prepare, or access nutritious food. As part of the national Food is Medicine Coalition, the Organization seeks to break down barriers to health access and improve the lives of thousands of Marylanders who are chronically ill.

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting**

The accompanying financial statements of the organization are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

#### **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of revenue, support, and expenses during the reporting period. Accordingly, actual results could differ from those estimates and assumptions.

#### Cash and Cash Equivalents

The Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. Cash and cash equivalents are carried at cost, which approximates fair value. As of December 31, 2024 and 2023, cash equivalents consisted of money market funds.

Notes to the Financial Statements December 31, 2024 and 2023

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Grants and Accounts Receivable**

Grants receivables represent amounts due from grants, but not collected from grantors as of year-end. Accounts receivable represent amounts due for contracted services rendered and are carried at the original invoice amount less an estimate of doubtful accounts based on a review of all outstanding amounts. Management determines the allowance for uncollectible accounts receivable based on historical experience, an assessment of current economic conditions, and a review of subsequent collections. Receivables are written off when deemed uncollectible. The accounts and grants receivable are deemed to be fully collectable; therefore, no allowance for doubtful accounts was recorded as of December 31, 2024 and 2023.

#### **Fair Value Measurements**

Accounting standards generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under generally accepted accounting principles (GAAP) are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2 Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability;
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Notes to the Financial Statements December 31, 2024 and 2023

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Fair Value Measurements (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Financial instruments consisted of cash and cash equivalents, investments, receivables, and payables. The carrying value of the Organization's financial instruments in the accompanying statements of financial position approximates their respective estimated fair values as of December 31, 2024 and 2023. Fair values are estimates based on current market rates, prices, or liquidation value.

#### **Property and Equipment**

Property and equipment over \$1,000 and a useful life greater than one year are recorded at cost and depreciated using the straight-line methods over estimated useful lives of the assets. Expenditures for major repairs and improvements are capitalized and expenditures for minor repairs and maintenance are expensed as incurred. Depreciation is computed using the straight-line method over the estimated useful lives of the assets or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. Gifts of long-lived assets are capitalized at their value when donated.

#### Right of Use Assets and Lease Liabilities

The Organization records a right of use asset related to the facility where the Organization conducts its operations. The Organization's lease was recorded at the present value of the total remaining lease payments net of related deferred rent amounts. The right of use asset is being amortized over the term of the leases using the straight-line expense method due to the escalation of rent payments over the life of the lease (see Note 5). During the year ended December 31, 2024 and 2023, the amortization expense related to the right of use asset was \$176,060 and \$113,879, respectively, and is recorded in expense in the accompanying financial statements. As of December 31, 2024 and 2023, the net carrying value of the right of use assets were \$245,819 and \$421,879, respectively.

The lease liabilities represent the future commitments for the Organization's office lease. The term of a lease is assessed as the non-cancellable period of the lease, plus any extension options that the Organization is reasonably certain to exercise. The lease liability is discounted using the Organization's estimated borrowing rate. Costs related to maintenance and other janitorial services are expensed as incurred.

Notes to the Financial Statements December 31, 2024 and 2023

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Net Assets

Net assets without donor restrictions are assets and contributions that are not restricted by donors or for which restrictions have expired.

Net assets with donor restrictions are those whose use by the Organization has been limited by donors, primarily for a specific time period or purpose. When a donor restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions. If a donor restriction is met in the same reporting period in which the contribution is received, the contribution (to the extent that the restrictions have been met) is reported as net assets without donor restrictions.

#### **Revenue and Support**

The Organization recognizes contributions, donations, and grants when an unconditional promise to give is received. Conditional promises to give, with a measurable performance or other barrier and right of return, are not recognized until the conditions on which they depend have been met.

Contributions, donations, and grants received are recorded as net assets with or without donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction.

When a donor restriction expires, that is, when some stipulated time restriction ends or purpose of the restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the accompanying statements of activities and changes in net assets as net assets released from restrictions.

A portion of the Organization's revenue is derived from cost-reimbursable Federal contracts, which are conditioned upon certain performance requirements and the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position.

A portion of the Organization's revenue is derived from contracted meal services obligations. Revenue is recognized once services have been performed.

Special event revenue and sponsorships are directly related to fundraising and are recorded as revenue when the events occur.

Notes to the Financial Statements December 31, 2024 and 2023

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Revenue and Support** (continued)

Unrealized and realized gains and losses, dividends, and interest from investing activities in income producing assets are included in the applicable net asset classification depending on donor restrictions.

#### **Contributed Nonfinancial Assets**

The Organization's programs are furthered through contributions of donated services and supplies. Contributed services are recognized if the services meet any of the following criteria (a) they create or enhance a non-financial asset or (b) they require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation (Note 10).

Contributed services and supplies are recorded at their fair value at the date of the receipt and are recorded as nonfinancial contributions revenue and program expenses in the accompanying statements of activities and changes in net assets.

#### **Functional Allocation of Expenses**

The costs of providing the various programs and supporting activities have been summarized on a functional basis in the accompanying statement of activities and changes in net assets and in the statement of functional expenses. Accordingly, certain costs have been allocated among the program, management and general, and fundraising services that benefit from those costs. Salaries and related benefits are allocated to program and management and general based on the estimated percentage of time employees work in each functional area. The percentage allocations are based on the role of each employee and are monitored on a monthly basis and modified throughout the year, as necessary. Management and general expenses include those expenses that are not directly identified with any other specific function but to provide for the overall support and direction of the Organization. Fundraising costs are those which are specific to the related activity.

#### **Income Taxes**

The Organization is a not-for-profit organization that is exempt from the payment of Federal income taxes, other than net unrelated business income, under the provisions of Section 501(c)(3) of the United States Internal Revenue Code (IRC), and is recognized as such by the Internal Revenue Service (IRS).

Notes to the Financial Statements December 31, 2024 and 2023

#### 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Income Taxes** (continued)

Accounting principles generally accepted in the United States of America provide consistent guidance for the accounting for uncertainty in income taxes recognized in an entity's financial statements and prescribe a threshold of "more likely than not" for recognition of tax positions taken or expected to be taken in a tax return. The Organization performed an evaluation of uncertain tax positions as of December 31, 2024 and 2021, and determined that there were no matters that would require recognition in the accompanying financial statements or which may have any effect on its tax-exempt status.

As of December 31, 2024, the statute of limitations for calendar years 2021 through 2024 remains open with the U.S. Federal jurisdiction or the various states and local jurisdictions in which the Organization files tax returns. It is the Organization's policy to recognize interest and/or penalties related to uncertain tax positions, if any, as income tax expense in the statement of activities and changes in net assets.

#### Liquidity and Availability of Resources

The following reflect the organization's financial assets reduce by amounts not available within one year of the balance sheet date for general expenses because of donor impose restrictions as of December 31, 2024 and 2023:

|   | 2024            | 2023            |
|---|-----------------|-----------------|
| Cash and cash equivalents   | \$<br>1,160,019 | \$<br>574,070   |
| Grants and accounts receivable, net                                       | 1,333,219       | 1,424,880       |
| Investments   | <br>1,383,675   | <br>2,086,745   |
| Financial assets, at year-end   | 3,876,913       | 4,085,695       |
| Less: those unavailable for general expenditures within one year, due to: |                 |                 |
| Net assets subject to Board designations                                  | _               | 269,000         |
| Donor restricted assets   | 771,868         | <br>587,718     |
| Financial assets available to meet cash needs within one year             | \$<br>3,105,045 | \$<br>3,228,977 |

The Organization's goal is generally to maintain financial assets to meet 90 days of operating expenses. As part of its liquidity plan, excess cash is invested in short-term investments, including money market accounts. To help manage unanticipated liquidity needs, the Organization has a committed line of credit in the amount of \$100,000, of which the full amount remained available as of December 31, 2024 and 2023.

#### **Subsequent Events**

The Organization's management has evaluated the accompanying financial statements for subsequent events and transactions through September 5, 2025, the date these financial statements were available for issue, and have determined that no material subsequent events have occurred that would affect the information presented in the accompanying financial statements or require additional disclosure.

#### Notes to the Financial Statements December 31, 2024 and 2023

#### 3. INVESTMENTS

The following is a description of the valuation methodologies used for investments measured at fair value. There were no changes in the methodologies used as December 31, 2024 and 2023.

Money market funds, mutual funds, equities, and fixed income: Valued at the closing price reported on the active market on which the individual securities are traded.

Fixed annuities: Valued at cost, plus the fixed account guaranteed interest specified in the annuity contract.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, the fair value hierarchy of the Organization's investments at fair value as of December 31:

|                    |                 |      | 202         | 24  |       |          |           |
|--------------------|-----------------|------|-------------|-----|-------|----------|-----------|
|                    | Level 1         |      | el 2        | Lev | rel 3 | 13 Total |           |
| Money market funds | \$<br>228,304   | \$   | -           | \$  | -     | \$       | 228,304   |
| Mutual funds       | 830,554         |      | -           |     | -     |          | 830,554   |
| Fixed income       | 324,817         |      | -           |     | -     |          | 324,817   |
| Total              | \$<br>1,383,675 | \$   | -           | \$  | -     | \$       | 1,383,675 |
|                    | <br>Level 1     | Leve | 202<br>el 2 | _   | rel 3 |          | Total     |
| Money market funds | \$<br>716,431   | \$   | -           | \$  | -     | \$       | 716,431   |

| Investment fees              | <br>(10,379)  |      | (12,869) |  |
| Total                        | \$<br>146,130 | \$   | 142,557  |  |

Notes to the Financial Statements December 31, 2024 and 2023

#### 4. PROPERTY AND EQUIPMENT

As of December 31, 2024 and 2023, property and equipment consisted of the following:

|                                | 2024            | 2023            | <b>Estimated Useful Lives</b> |
|--------------------------------|-----------------|-----------------|-------------------------------|
| Leasehold improvements         | \$<br>1,897,483 | \$<br>1,897,483 | 3 - 10 years                  |
| Kitchen equipment              | 650,572         | 542,416         | 5 years                       |
| Transportation equipment       | 341,707         | 371,531         | 5 years                       |
| Furniture and fixtures         | <br>326,043     | <br>318,958     | 5 - 15 years                  |
| Total                          | <br>3,215,805   | 3,130,388       |                               |
| Less: accumulated depreciation | <br>2,299,990   | <br>2,168,442   |                               |
| Property and Equipment, Net    | \$<br>915,815   | \$<br>961,946   |                               |

Depreciation expense was \$161,374 and \$171,291, for the years ended December 31, 2024 and 2023, respectively.

#### 5. LEASE LIABILITY

The Organization has a lease for its commercial kitchen and office space located in Baltimore, Maryland, which commenced in May 2023 and expires in May 2026. The lease provides for two renewal options of ten years each. Prior to May 2023, the Organization leased its commercial kitchen and office facilities through a month-to-month lease.

The minimum future rental payments required under non-cancelable operating lease having terms in excess of one year as of December 31, 2024 are as follows:

| Years Ending December 31            | A  | Amount  |
|-------------------------------------|----|---------|
| 2025                                | \$ | 197,792 |
| 2026                                |    | 66,576  |
| Total                               |    | 264,368 |
| Less: Amounts representing interest |    | 7,109   |
| Total                               | \$ | 257,259 |

#### 6. NET ASSETS WITH DONOR RESTRICTIONS

The Organization has net assets with donor restrictions that were provided for a specific purpose or time period. Net assets with donor restrictions consisted of the following as of December 31:

| 2024 |          | 2023                  |                       |
|------|----------|-----------------------|-----------------------|
| \$   | 567,718  | \$                    | 567,718               |
|      | 204,150  |                       | 20,000                |
| \$   | 771,868  | \$                    | 587,718               |
|      | \$<br>\$ | \$ 567,718<br>204,150 | \$ 567,718 \$ 204,150 |

Notes to the Financial Statements December 31, 2024 and 2023

#### 7. LINE OF CREDIT

The Organization has a line of credit for up to \$100,000 as of December 31, 2024 and 2023. The interest rate on the line of credit is variable, based on the Prime Rate published in the Wall Street Journal. There was no outstanding balance on the line of credit as of December 31, 2024 and 2023.

#### 8. COMMITMENTS AND CONTENGENCIES

#### **Concentration of Revenue**

The Organization receives a substantial portion of its revenue from government sources. During the years ended December 31, 2024 and 2023, the Organization earned revenue of \$2,322,214 and \$2,080,291, respectively, from government sources, which is 41% and 40%, respectively, of the total revenue and other support and 41% and 37%, respectively, of grants receivable.

Additionally, the revenue from Federal grants provides donors the right to audit grant expenditures. Until such audits, if any, have been completed, the grants are subject to refund if any amount of the grant is believed to be spent other than for its intended purpose. Management is of the opinion that no material liability as of December 31, 2024 and 2023, would result from such audits.

#### 9. DEFINED CONTRIBUTION PLAN

The Organization sponsors a tax-deferred annuity plan (the Plan) qualified under Section 403(b) of the IRC covering substantially all full-time employees. The Plan provides that employees may voluntarily contribute their earnings to the Plan, up to the maximum contribution allowed by the Internal Revenue Service (IRS). Employer contributions are discretionary and are determined and authorized by the Board of Directors each plan year. During the years ended December 31, 2024 and 2023, the Organization matched employee voluntary contributions up to 3% of eligible compensation. Total contributions were \$58,068 and \$29,516, for the years ended December 31, 2024 and 2023, respectively.

#### 10. CONTRIBUTED NONFINANCIAL ASSETS

During the years ended December 31, 2024 and 2023, the Organization received donated services for professional legal services and kitchen supplies. Therefore, the in-kind contributions are recorded at their fair value at the date of receipt and are recorded as in-kind revenue and expenses in the accompanying statements of activities and changes in net assets.

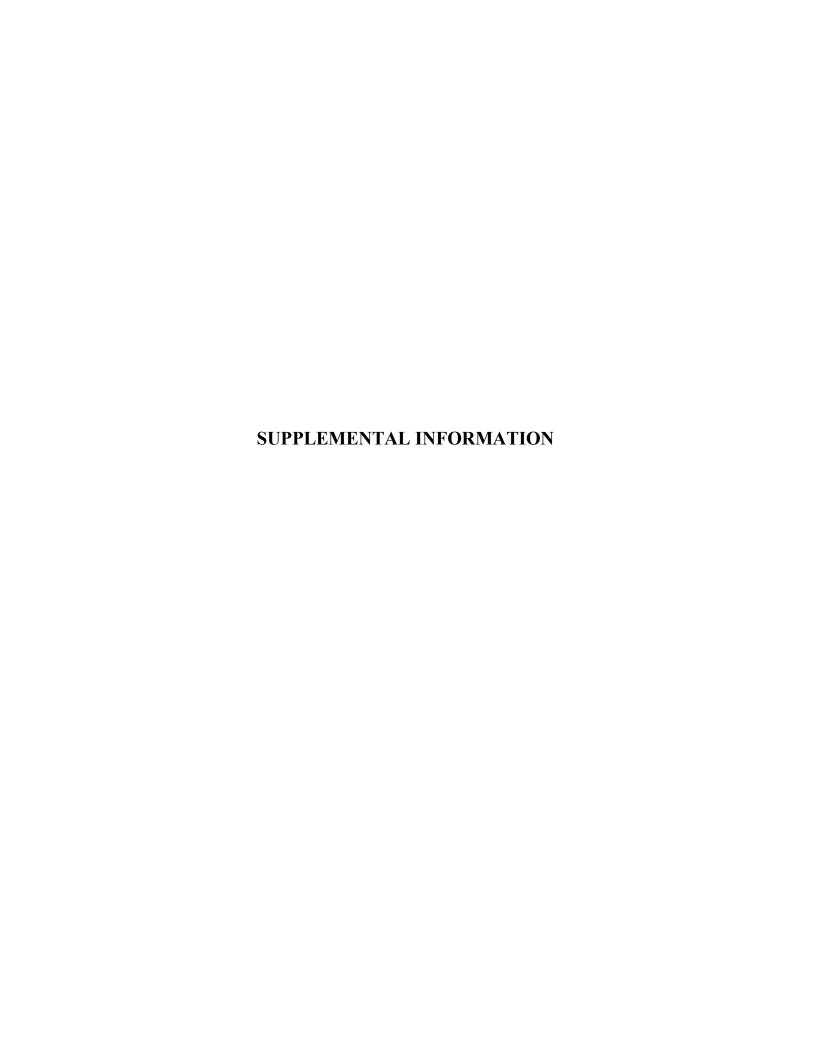

Management estimated the value of these in-kind products directly from receipts given from donors and pricing set by various vendors on the fair market value for similar items in the area.

Notes to the Financial Statements December 31, 2024 and 2023

#### 10. CONTRIBUTED NONFINANCIAL ASSETS (continued)

The Organization determined the fair value of the contributions based on the costs of the service provided by external parties. The Organization received donated professional services and materials as follows during the years ended December 31, 2024 and 2023:

|                         | 2024 |         | 2023 |         |
|-------------------------|------|---------|------|---------|
| Kitchen services        | \$   | 449,232 | \$   | 425,977 |
| Special event services  |      | 40,528  |      | 17,113  |
| Administrative services |      | 7,472   |      | 1,792   |
| Supplies                |      | 27,126  |      | 18,000  |
| Total                   | \$   | 524,358 | \$   | 462,882 |

# REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS ON INTERNAL CONTROLS OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Moveable Feast, Inc.

#### **Report on the Financial Statements**

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Moveable Feast, Inc. (the Organization), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements and have issued our report thereon dated September 5, 2025.

#### **Internal Controls over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Organization's internal controls over financial reporting (internal controls) as basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal controls. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal controls.

A deficiency in internal controls exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal controls, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal controls that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal controls was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal controls that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal controls that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal controls and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal controls or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal controls and compliance. Accordingly, this communication is not suitable for any other purpose.

S& + Company, If C

Owings Mills, Maryland September 5, 2025

# REPORT OF INDEPENDENT PUBLIC ACCOUNTANTS ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROLS OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

To the Board of Directors of Moveable Feast, Inc.

#### Report on Compliance for Each Major Federal Program

#### Opinion on Each Major Federal Program

We have audited Moveable Feast, Inc.'s (the Organization) compliance with the types of compliance requirements identified as subject to audit in the Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on each of the Organization's major Federal programs for the year ended December 31, 2024. The Organization's major Federal programming is identified in the summary of the Independent Public Accountant's results section of the accompanying Schedule of Findings and Questioned Costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs for the year ended December 31, 2024.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States (Government Auditing Standards); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major Federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal controls over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Organization's Federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major Federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal controls over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal controls over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal controls over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal controls over compliance that we identified during the audit.

#### **Report on Internal Controls Over Compliance**

A deficiency in internal controls over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program on a timely basis. A material weakness in internal controls over compliance is a deficiency, or a combination of deficiencies, in internal controls over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a Federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal controls over compliance is a deficiency, or a combination of deficiencies, in internal controls over compliance with a type of compliance requirement of a Federal program that is less severe than a material weakness in internal controls over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal controls over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal controls over compliance that might be material weaknesses or significant deficiencies in internal controls over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal controls over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal controls over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal controls over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal controls over compliance is solely to describe the scope of our testing of internal controls over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Notes to the Schedule of Expenditures of Federal Awards For the Year Ended December 31, 2024

#### 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

All Federal grant operations of Moveable Feast, Inc. (the Organization) are included in the scope of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (the Single Audit or Uniform Guidance). The Single Audit was performed in accordance with the provisions of the Office of Management and Budget (OMB) Compliance Supplement (the Compliance Supplement). Compliance testing of all requirements, as described in the Compliance Supplement, was performed for the grant program noted below. The program included on the Schedule of Expenditures of Federal Awards (the Schedule) represents all Federal award programs for fiscal year 2024, cash and noncash expenditures activities. For our Single Audit testing, we tested Federal award programs to ensure coverage of at least 20% of Federally granted funds. Actual coverage was 95%.

Expenditures reported on the Schedule are recognized following the cost principles contained in Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization has elected to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

#### 2. BASIS OF PRESENTATION

The accompanying Schedule includes the Federal award activity of the Organization under programs of the Federal government for the year ended December 31, 2024 and is accounted for on the accrual basis of accounting. The information in this Schedule is presented in accordance with Uniform Guidance.

#### Schedule of Findings and Questioned Costs For the Year Ended December 31, 2024

#### Section I - Summary of Independent Public Accountant's Results

| Financial Statements  |                                  |                         |
